

Culture and Globalization

Flows I

Gender, Tourism, Transnationalism
October 10, 2012

Brainstorm Activity

What are links between the three readings?
Generate a list of key concepts / themes /
concerns across the three articles.

What happens to gender in the context of globalization?

How can we think about gender as a flow?

What do we mean by gender inequality? Does it function as a transnational system?

What are connections between gender, political power, and economic resources (including for mobility)?
